

To whom it may concern

Language of instruction at SDC

I hereby confirm that Jianxin He (Date of birth: 1996-02-20) has graduated as a master's student in Nanoscience and technology at the Sino-Danish Center for Education and Research. The programme is offered as a double degree between University of Copenhagen and University of Chinese Academy of Sciences. The enrolment lies with University of Chinese Academy of Sciences.

It is a 2-year study programme amounting to 120 ECTS. The language of instruction is English for all courses and examinations in the full programme.

Kind regards

SDC
